

We're looking to work with the best. We don't have to look far.

Osum wants to work with local suppliers and contractors and will be hosting a private information reception for those who want to be involved in the Taiga Project. Preference will be given to aboriginal businesses and local vendors that invest, hire and contract locally within the MD of Bonnyville. This reception will provide detailed information on who we're looking to do business with, what our requirements are, and how specific contractors fit into our plan.

Contractor Information Session:

Date: Monday, February 28

Time: Drop in between 2:00 PM and 7:00 PM

Place: Shaw House (Bonnyville)
