

Our values

- Integrity, honesty and trust are evident in everything we do.
- We provide a safe, respectful work environment for all of our staff and contractors.
- We are committed and accountable to our stakeholders, our company, and each other.
- We pursue excellence in all endeavours.
- We value and strive for open and constructive communication.
- We believe that our own success is tied directly to the success of the communities in which we operate.
- Our actions validate our inherent belief that our operations can and will achieve environmental sustainability.
- We like to think about possibilities.
- Community involvement is essential to us.
- We expect personal accountability, trust, and pride for a job well done.
- We take the time to make the right decisions without sacrificing safety, training, efficiency or engagement.
- We support a solid team dynamic.
- Our leaders listen to their colleagues and encourage employee development.
